How do I book? Our phone lines are often quite busy. If you are unable to get through on 0191 584 1873, please email us at bookings@downatthefarm.co.uk with your contact details.

How do I pay? We require a non refundable £40 deposit to secure the date. We request that the remainder of the party is paid for on arrival. You can either pay your deposit over the phone or by cheque (as long as we have pre booked the date in).

Minimum numbers: We request that a minimum of ten children are paid for per party. Please note that we will ask for all children on the list to be paid for on the day even if some do not arrive. As we cater for your party in advance we would need to know before the day itself if there are any changes to the list.

Do extra people have to be paid for? The parents of the birthday child do not need to pay for themselves. We then admit one free parent per child visiting. Extra siblings who are not part of the party and over two years pay £4.00. This is clearly stated on the invitations. Additional children who require food and or party bags will be charged at the full rate for the party type.

Dress: We do not expect you to walk through muddy fields but please ensure that your children are dressed to enjoy their party according to the weather on the day. Casual warm clothes are best to come to a farm party!

Party bags: The party bags are farm themed. They are open bags and contain items such as a farm pencil, notebook, bubbles, sweets and stretchy animals. You can add your own sweets/presents to them if you wish.

What happens after the party? You are welcome to enjoy the farm for the rest of the day. Visitors can stay as long as they wish during opening hours of the farm.

Do I need to choose my animal activities? If you have booked a farmyard party our staff will take you through at least 4 activities on your party. Activities vary according to the season and weather but the children will have opportunities to handle or stroke/feed the animals. If you have a specific request please ask when booking.

How long does party last?

If you have booked the silver then it lasts one and a half hours. If you add a barrel ride to the silver then it will be one hr 50 mins. The Gold party is two hours.

What happens if it rains? We are used to dealing with parties in all weathers. Although we cannot change the weather we can adapt our parties in the event of heavy rain and some activities can be brought indoors. We can add party games to the format in the event of bad weather. Please always be prepared with the correct clothing.

Other party types: We also offer Quad biking, laser gun, and all wheels parties for the over 7's at Down at the Farm plus paintball parties for the over 11's at our Sister attraction Massive Attack Paintball. Should these parties be of interest please contact us to discuss your requirements in further detail.

Contact us: For further information please contact bookings@downatthefarm.co.uk or call 0191 584 1873.

Please provide us with a suitable time to call you. Our phone system can get quite busy. In which case please email us and we will call you back.
