

# awesome quad bike parties

**Action and adventure  
for 7-12 year olds.**

**Have an  
awesome  
birthday party  
to remember  
for you and  
your friends.**

**Call us now to book your party:  
0191 584 1873 or do it online...**

**[www.downatthefarm.co.uk](http://www.downatthefarm.co.uk)**

**Exclusive use of our quad track, where you & your team mates will don your camo gear & after being trained to ride the bikes like professionals, you'll be entered into the race of your life! Who will be the winning team to collect their gold medals?**

Our Junior Quad bikes are the ideal way to introduce older children to four wheeled fun. Suitable for ages from 7 to 12 yrs, this is an exclusive package which includes the following:

- One hours' worth of quad biking around our track for up to ten guests (over the age of 7 yrs)
- Full training is provided before the birthday race commences.
- Each guest receives a quality medal.
- Lunch is provided (see menu below).
- After lunch there is the option of a barrel train ride or a "face your fears" creepy crawly show to end the party.

Price: £150.00 (you can have up to ten children £10.25 per child thereafter).

**Please note:** The Quad bikes are not suitable for children less than 7 yrs of age & require children to be able to demonstrate that they can ride safely and sensibly. Ten is the ideal number of children we can accommodate but we can be flexible with numbers. Party times may vary according to season – please ask on booking. Children must be suitably dressed for the activity & weather conditions. They will be given protective clothing at the start of the party. The barrel train/reptile show can be substituted for another activity on the farm if you wish. **Menus** – chicken nuggets or hot dog & chips with ice cream or a party sandwich box with ice cream.

**How to book?** email us... [bookings@downatthefarm.co.uk](mailto:bookings@downatthefarm.co.uk).
