- Menu 1**    **Hot Dog**    **Chicken Nuggets**    **Fish Fingers**  
 **Menu 2**    **Ham**    **Cheese**    **Tuna**

**Parents Please Read: Although junior quad biking is really fun we do need you to sign a form so that we have your consent for your child to participate. Please make sure this is filled in for the party parent before sending your reply back.**

**Please dress your children in appropriate clothing for the time of year. In colder months we advise lots of layers and a good set of gloves to protect hands.**

## **Note for Parents:**

This quad bike party will take place at the Quad Bike Track at Down at the Farm. There is no trekking involved on any other parts of the farm. Children will be given training at the beginning of the party and will be shown how to use the quad bikes safely. They will be wearing helmets. Should you require elbow/knee pads, they are available where necessary. There will be no more than 4 quad bikes on the track at any one time. All quad bikes have speed limiters and are classed as "junior" quads for use up to 13 years old. Please could you sign below if you are happy for your child to participate in this party.

**Disclaimer:** I am completely aware of the dangers of quad bike riding. I allow my child to participate in this activity at my own risk. I agree to the fact that Down at the Farm are not responsible for damage to my child's belongings or health, or financial loss incurred or for any other extenuating circumstances beyond their control.

I am aware that Down at the Farm is not responsible for the behaviour of other participants on the quad bike track. My child shall abide by the training regulations. I will ensure that my child's behaviour and/or actions in no way cause harm to other people or the vehicle. As far as is known to me, my child is in good health and able to meet the required standards. The child I am responsible for is wearing the correct protective clothing and I understand that clothing should cover legs and closed toe footwear. I understand that if my child is unable to operate the quad bike safely that they will not be allowed to continue. My child is 7 years old or over.
